Dear Returning Vendor / Exhibitor,

Enclosed is an application for the 2010 Island County Fair, which will be held August 19-22.

Given the state of the economy, even though we are not raising booth rates this year we are requiring that your booth fee be included with your returned application to guarantee your space. **The deadline is February 26.**

Our outside booth configuration will remain the same as it was the past two years, and we will attempt to place you in the same location if it suited you. Please note on your application if you would like your location changed.

The same holds true for spaces in the Turner Building. If you wish to upsize from a 4x8 or downsize from a 9x12, please let us know.

Remember that your application and fee must be returned by February 26 to ensure same placement this year. Applications received after that date or without the appropriate fee will be included in our potential new vendor review, and there is no space preference or guarantee.

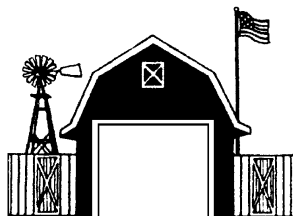

In the event we are unable to accommodate you with space, you will be notified in writing.

Thank you for your continued interest in our Fair! We look forward to your participation.

Sincerely,

A handwritten signature in black ink that reads "Sandey Brandon". The signature is fluid and cursive.
